Announcement of Impairment Losses on Noncurrent Assets (Extraordinary Losses)

For fiscal 2012, ended March 31, 2013, the Company recorded the following impairment losses on noncurrent assets under extraordinary losses.

1. Details of impairment losses

In consideration of conditions in the current operating environment, the Company decided to record impairment losses with regard to certain groups of assets associated with the Company and its consolidated subsidiaries for which it was judged that recovering investments would be difficult. Impairment procedures were conducted in accordance with the Accounting Standard for Impairment of Fixed Assets, and the Company therefore recorded the following impairment losses for fiscal 2012.

Applicable assets	Location	Asset types	Impairment loss amounts
Business assets (solar cell and module business), etc.	Nankan Town, Tamana-Gun, Kumamoto Prefecture, etc.	Land, buildings and structures, lease assets, etc.	(Consolidated) ¥6,446 million
			(Nonconsolidated) ¥6,420 million

2. Impact on performance

The abovementioned impairment losses have been accounted for in Consolidated Financial Report for the fiscal year ended March 31, 2013, which was released April 25, 2013.
