## 2. Reasons

The Fuji Electric Group's basic policy is to return profits to shareholders while securing sufficient retained earnings to invest in R&D, plant and equipment required for Fuji Electric Group's future growth. To achieve this, we will enhance shareholders' equity and reinforce our management base by boosting Group's earnings power.

Our consolidated financial result for the second quarter (accumulated period) of fiscal 2008 was within a predicted range and a certain amount of earned surplus carried forward is secured. Taking these factors into consideration, the Company has decided to pay a dividend applicable to the second quarter of fiscal 2008 of ¥4.00 per share.

The expected dividends are as follows:
