< Cautionary Statements With Respect to Forward-Looking Statements>

Statements made in this financial report with respect to Fuji Electric's future performance are forward-looking statements based on management's assumptions and beliefs in light of the information currently available to it. Accordingly, actual results could differ from those contained in any forward-looking statements. Potential risks and uncertainties include:

- •Sudden changes in general economic conditions in Fuji Electric's markets and changes in its operating environment such as those resulting from changes in trade regulations
- •Exchange rate, particularly between the yen and the U.S. dollar and Asian and European currencies
- •The ability of Fuji Electric and its subsidiaries to develop and introduce products that incorporate new technology in a timely manner and to manufacture them in a cost-effective way
- •The rapid pace of technological innovation, especially in the field of electronics
- •Sudden changes in the supply and demand balance in the markets Fuji Electric serves
- Problems involving the intellectual property of Fuji Electric and other companies
- •Stock market conditions in Japan
